● WHY SLADE

Concept to execution

One team plans the idea and runs it on the ground, so nothing is lost between the planner and the crew.

Captured as it happens

Photography and videography are built into the plan, not bolted on at the door.

Same-night social cut

Highlights edited and ready to post while people are still talking about the event.

Costs named up front

Venues, vendors and anything else carrying its own cost are quoted and approved before they are booked.

Have something worth celebrating? Let's make it an experience.

Reply with a date and we come back with a scope, a plan and a price.
